E. PROJECT NARRATIVE – REQUIRED COMPONENTS OF THE APPLICATION (Please limit to 25 pages)

Check the following boxes to indicate these sections of your application are included in your submittal. Before completing your application, please read "Important Information for Prospective Applicants."

- ☐ 1. **Background Information.** Describe the problem you intend to address. Tell what supporting research, development and/or testing you and/or others have already completed. Describe the facilities to be used in the project. Discuss the overall flow of the project, including information on suppliers, product purchasers, and other cooperating entities, if any, necessary to the project's success.
- ☐ 2. **Supporting Documentation.** Provide copies of letters of support. (Please refer to section labeled "Supporting Documentation" in "Important Information for Prospective Applicants" for details on this requirement.)
- ☐ 3. **Project Objectives.** List the major objectives of the project.
- ☐ 4. **Detailed Workplan.** Describe the specific tasks to be performed in order to achieve the project objectives. The workplan must provide enough information for the budget worksheets to be easily compared to the needs of the project.
- ☐ 5. **Timetable.** Provide a detailed timetable highlighting major planned activities and the target completion dates.
- ☐ 6. **Testing and Evaluation Procedures.** Describe the techniques which will be used to measure project results and to evaluate the technical and/or economic feasibility of continuing the project activity beyond the grant period.
- ☐ 7. **Discussion of the Innovative Nature of This Proposal.** See definition of "innovative" in Eligibility Section of packet; describe how this project fits the definition and how it relates to and differs from similar technologies or methods currently in use. (Applicants requesting funding under a Department "request for proposal" are not required to complete this section.)
- ☐ 8. **Key Personnel and Their Qualifications.** Briefly describe the expertise each of the key personnel, including cooperators, bring to the project; a resume for each may also be helpful.
- ☐ 9. **Estimate of Solid Waste Diversion.** Name the types and estimate the amounts of solid waste to be reduced, reused or recycled during the project; estimate the amount that would be reduced, reused or recycled if implemented full scale or statewide.
- ☐ 10. **Applicability to Others.** These projects are intended to increase knowledge to be shared with all interested parties. Describe the anticipated ease with which others could use the information, methodology and results provided by the project.
- ☐ 11. **Information and Education Activities.** Describe the activities planned to inform others of the results of the project such as articles in trade journals, presentations to interested groups, newsletters, etc.
- ☐ 12. **Documentation of Financial Capability.** Include documentation to show that the applicant can provide for the remaining project costs which the advance payment (75% of the grant amount) will not cover (see discussion in "Important Information for Prospective Applicants").
- ☐ 13. **Supporting Literature.** Provide pertinent articles and/or research summaries that demonstrate the unique qualities of the project and/or support the feasibility and potential value of the proposal.
- ☐ 14. **Authorization to Apply.** Include a statement signed by a person or board who has the authority to commit the applicant to apply for funding and complete the project, and naming the person authorized to act on the applicant's behalf with respect to this grant application. Governmental bodies must use the sample authorizing resolution located on the last page of "Important Information for Prospective Applicants".

I certify that to the best of my knowledge, the above information and application attachments are correct and true. I understand and agree that any grant monies subsequently awarded as a result of this application shall be used in compliance with s. 287.25, Wis. Stats., and ch. NR 548, Wis. Adm. Code.
